

Meet your Coach.

Diana Ahl

ASSOCIATE CONSULTANT

Diana is a bilingual, internationally experienced leadership development and culture expert and the founder of Advanced Human Harmonics™. For more than 25 years, she has partnered with teams, organizations, and individuals to develop and implement self-leadership, cultural awareness, and effective communication.

She is known for her fierce compassion and supportive candor. She is passionate about helping her clients to access the full range of their gifts and to leverage it to achieve next level results and satisfaction in all areas of their lives. She cares deeply about workplace wellbeing and believes that customized coaching and leadership development programs are essential components for growth and sustainability in every successful organization. Diana brings her natural warmth and curiosity, as well as her love for diverse cultures into every interaction she has and focuses on systemic cultural mindsets as the vehicle to transform workplace culture to one in which all people are seen, valued, and heard.
