

Meet your Coach.

Shakeel is a globally experienced executive coach, facilitator, keynote speakers and leadership development consultant. His caring candour and business acumen enable him to unlock insight leading to personal, professional and organization growth and innovation.

Shakeel Bharmal

ASSOCIATE CONSULTANT

Shakeel is a globally experienced leadership and executive team coach, strategy facilitator, keynote speaker and leadership development consultant. He is also a seasoned business and non-profit executive with over 20 years of experience in the C-Suite and as a strategy consultant to senior business leaders.

His focus is on supporting leaders and their teams to embrace the complexity and uncertainty in their environment to spark personal, professional and organizational growth. Shakeel's approach combines caring candour, problem reframing, appreciative inquiry and business acumen to unlock insight leading to leadership transformation. In addition to leadership development, Shakeel specializes in teaching business acumen, customer value creation and business relevance to sales and marketing leaders throughout North America and Europe.
